

Commemorate your support with a personalized brick paver! This is your opportunity to leave a lasting legacy while supporting informal science education. Personalized brick pavers are a great way to honor loved ones, celebrate anniversaries, and recognize milestones.

Brick pavers are located at the main entrance of the Center in front of the beautiful Discover Plaza. Starting June 2014 through June 2015 members may purchase their personalized brick paver brick for only \$100 each.

_____ Yes, I would like to distinguish myself or someone else with a personalized paver on the Path to Discovery and Exploration at the South Florida Science Center and Aquarium.
