public exhibition and educational purposes.

<u>Part X, Line 2:</u>

The Center is exempt from income taxes under Section 501(c)(3) of the

Internal Revenue Code of 1986 and has been classified as publically

supported organizations that are not private foundations under Section

509(a) of the Code. Income determined to be unrelated business taxable

income (UBTI) would be taxable. In connection with rent received from an

independent vendor at the expanding facility, there was approximately

\$18,374 of unrelated business income for the year ended September 30, 032054 12-01-20 Schedule D (Form 990) 2020

31

2021.

The Center follows FASB ASC 740-10, Accounting for Uncertainty in Income Taxes. This pronouncement seeks to reduce the diversity in practice associated with certain aspects of measurement and recognition in accounting for income taxes. It prescribes a recognition threshold and measurement attribute for financial statement recognition and measurement of a tax position that an entity takes or expects to take in a tax return. An entity may only recognize or continue to recognize tax positions that meet a "more likely than not" threshold. The Center assesses its income tax positions based on management's evaluation of the facts, circumstances and information available at the reporting date. The Center uses the prescribed "more likely than not" threshold when making its assessment. For the year ended September 30, 2021, the Center did not accrue any interest expense or penalties related to tax positions, and there are no open federal or state tax years currently under audit.
