DISCLAIMER:

Release of Liability: For and in consideration of the privilege of participating in this event, hosted by the Cox Science Center and Aquarium, INC., I hereby assume all risk of personal injury or damage to myself or any member of my team. I hereby release the Science Center, workers, volunteers and any individual or organization in charge of or connected to the Science Center from any and all claims and/or liability from any accident, injury, damage or loss incurred or suffered by me or anyone under my supervision or care; no matter what the nature or cause. I further agree to indemnify and hold harmless Science Center workers and volunteers from any and all damages, cost charges, expenses, legal fees or any other loss or expense incurred by said organization or individuals connected therewith resulting from any acts or action on my part or anyone under my supervision whether such acts were intentional, accidental or negligent which caused or contributed to the cause of such accident, injury, damage or loss incurred or suffered by such third party.

I do hereby certify that I have read the foregoing and agree to the same on behalf of myself and my team as well as add the Cox Science Center as “additional insured” for the MolecuBar event.

GUIDELINES AND RULES:

1. The Cox Science Center and Aquarium has the right to deny any vendor a booth space whose exhibit, product or service does not align with the mission of the Cox Science Center and Aquarium.
2. No lobbying, campaigning or electioneering is allowed within the Science Center grounds during the event.
3. We are a peanut free facility and the distribution of latex balloons, single use plastic straws or stirrers, and Styrofoam are prohibited.
4. All vendors must notify Kristina Holt or Nicole Afanador by Nov. 6th if they are not able to attend Molecubar. Cancellations are difficult and we are sure that no one intentionally plans to cancel after entering into an agreement for any of our events. However, on our end, the closer we get to the event date, the more time and planning we have invested, and the more difficult it becomes for us to fill your booth space with quality artists, STEAM lovers, or food vendors.

I have read, understand and agree to follow the Guidelines & Rules for the 2023 Cox Science Center and Aquarium’s MolecuBar event as described within the Vendor Application.
