4801 Dreher Trail North, West Palm Beach, FL 33405
(561) 832-1988 | CoxScienceCenter.org

THURSDAY, NOVEMBER 17TH
6PM-9PM

The Cox Science Center and Aquarium invites you to **MolecuBar: an evening of molecular mixology**. An adult-only event presenting creative cocktail concoctions and lite bites on the molecular level, all in the name of science education.

Explore the physics behind traditional mixing methods, which include illustrative demonstrations of manipulating molecules to create unique beverages that transform ingredients both physically and chemically.
