

Explore the sweeter side of science  
during the 16<sup>th</sup> Annual

# Science of *Chocolate*

Saturday, February 17, 2024  
10am-4pm

Join us for a delectable exploration of the fascinating world of chocolate, where you'll uncover the secrets behind this sweet treat. Discover the physics, chemistry, and biology that make chocolate so irresistible! From cocoa beans to confections, this event will engage all your senses and leave you with a newfound appreciation for the science that makes chocolate so magical.

Your support of this event will help to provide quality exhibitions, inspire STEM education, and further the Science Center's overall mission to Open Every Mind to Science.
