

**My friend Ray the Remora, is pointing to my dorsal fins that help me swim fast!**

**Hi boys and girls! I'm Professor Clark the Science Shark. I want to take you on a "Shark Seafari" and teach you ALL about SHARKS!**

Most sharks, like me, the tiger shark, live on coral reefs in the ocean. Hammerhead sharks also live on coral reefs. Some sharks like to hide in the rocks and caves.
